Constitution Day

WE THE PEOPLE OF INDIA.....

The school and college celebrated Constitution Day on November 26, 2024, to commemorate the adoption of the Indian Constitution. The event aimed to instill a sense of patriotism and awareness about the values enshrined in the Constitution among the students.

The programme commenced with the morning assembly, where the Preamble of the Indian Constitution was read aloud by the Principal, teachers, and students. The teachers explained the importance of affirming a commitment to the principles of justice, liberty, equality, and fraternity.

The Principal addressed the students, emphasizing the importance of being responsible citizens and upholding the democratic values of the country. She also encouraged students to be aware of their Fundamental Rights and Duties as enshrined in the Constitution.

Diwali Celebration

JOY OF SHARING WITH AADHAR ASHRAM

The students and staff from K. K.Wagh Secondary School & Junior College, Nashik, recently visited the local orphanage, Adhar Ashram to spread the festival's light and joy.

The group distributed traditional faral—an assortment of homemade Diwali snacks and sweets—to the children. Beyond gifting goodies, the students engaged the young ones in fun and lively games, creating an atmosphere full of laughter and warmth.

The Principal commended the initiative, highlighting how such acts of kindness help students internalize values of service, compassion, and social responsibility, aligning perfectly with the spirit of Diwali.

This annual tradition not only brings festive cheer to the orphanage's children but also reinforces in our students the importance of giving back—a true celebration of light, love, and community.

The World Geography Day celebration not only helped students deepen their understanding of physical and human geography but also emphasized the crucial role geography plays in shaping sustainable and informed global citizens. Mrs. Chitra Narwade appealed the students to spread awareness about the environment among the society.

Visit Time

MAPPING WITH NEP

A group of enthusiastic 12th Science class students from KKWagh Secondary School & Junior College recently embarked on an enlightening visit to the Robotics & Automation Department at KKWagh Institute of Engineering Education & Research (KKWIEER). During their tour, the students explored a variety of high-tech facilities, including the Robotics Lab, Automation Lab, Robotic Simulation Lab, and specialized Robot Operating System Laboratory.

They delved into industry-grade platforms—such as articulated and SCARA robots, vision systems, and PLC-controlled hydraulic and pneumatic machinery—gaining hands-on experience with cutting-edge applications. Armed with notebooks and clipboards, the junior college students gathered detailed information on curriculum structure, practical training components (including MATLAB, SolidWorks, ROS, and Creo), and placement opportunities. They also engaged in interactive Q&A, deepening their understanding of real-world robotics applications.
